**SUBJECT:** JIVE Families are the Best!

**MESSAGE:** Hey Jivers!! We just wanted to gush over you and your dancers AGAIN for being absolutely awesome in our first ever concerts at our new location!!

As the owner, I want you to know that I was thrilled when the studio director, the teachers, backstage staff, box office staff and theater technicians ALL said, YOU WERE THE BEST!!! You just brought with you such a cooperative and positive vibe!

I personally watched every single rehearsal at the theater the week of the shows and often sat wiping tears away because I was moved. I was in awe of how prepared and supportive everyone was. Starting a new location has its challenges, but all of you have made it like a dream come true. I was sincerely humbled by the concert experience with you.

The dancers were polite and focused and followed directions. All you parents were patient and helpful and respectful. As the Jive Staff, we all feel so fortunate to get to associate with you and your dancers! We often chat about how lucky we are to be working with you and your little ones!

We hope you loved being part of the show and look forward to our studio growth with all of you by our sides. We love and appreciate you so much!!

Thanks again for making Jive your home for dance!

With all our love,  
Gina and the Jive Staff

**SUBJECT:** Jive Info for Our Concert

**MESSAGE:** Hi Jivers!!! We are sending out a little information that will help you with some of the specifics for your costumes. Please look at the chart (see link below) and find your class day and time to see what shoes and hair styles the dancers need.

When you receive your costume try it on your dancer and store them in a safe place. Costumes are always tricky when it comes to the fit. Adjustments are easy to make if the fit isn't quite right. Feel free to have a friend or family member make small adjustments in size or we have a seamstress who makes adjustments for really great prices.

We are so excited for the upcoming show!! Follow us on Insta and Facebook to see some of the fun footage from our performances from the past few weeks! Keep practicing! Thanks!

**DATE:** May 25, 2019  
**SUBJECT:** Summer Schedule (link at the bottom of this email)

**MESSAGE:** We realize that summertime is filled with spontaneity and fun. We want to support the easy schedules of summer that we all need and love yet still provide a way for you to attend class with little stress.

To make things stress free we have structured summer classes in a way that creates value for you while catering to your spontaneity. For the same tuition amount that is offered during the school year, dancers can attend unlimited classes during the summer. If you miss two weeks for vacay, no problem, you can attend any and all classes for your age group all summer long. You don't need to contact us, just show up and dance!

NONE OF YOU need to register! Just continue attending after the show!

If you have friends who want to start new at Jive, they WILL NEED TO REGISTER. Registration is easy and just helps us manage class sizes and keep track of all the new dancers. Registration for NEW STUDENTS opens on June 1, 2019. Please refer them to the website where they can click to register. Remember NEW dancers can also attend any classes they want in addition to the class they register for.

**Registration Link:** <https://goo.gl/forms/illwc1qPFNv5mQOp2>

IMPORTANT!!! We assume dancers are staying in class over the summer UNLESS YOU INFORM YOUR DANCER'S TEACHER!! Company students must remain enrolled AND ATTEND in order to keep their standing in the company.

We will begin the summer schedule on July 1, 2019. If you have friends who have wanted to enroll, summer is the best time because they can attend many classes per week for a low price and get up to speed with what we do. In addition, those who are enrolled in the summer get to register for fall classes before we open it to the public.

Remember we have implemented a sweet referral program that pays you cash when you send people our way!! This is how it works: <https://jivellc.com/referraldetails.pdf>

**SUBJECT:** Theater Rehearsals Schedule

**MESSAGE:** Below is the link to our theater rehearsal schedule at the Covey Center for the Arts (425 W. Center, Provo) the week of the concert.

**PLEASE NOTE** that there will be NO classes held at Jive the week of the concert, (June 24-29) instead we will hold individual class rehearsals Wednesday and Thursday ON STAGE at the Covey Center according to the rehearsal schedule: <https://jivellc.com/vin/rehearsal.pdf>

Please have your dancers arrive wearing stage make up and in costume with a cover up to keep things running quickly and smoothly. Please be sensitive and respectful to all the Covey Center rules to help us keep the good reputation that we have earned with the staff.

**Photos:** After each 20- minute rehearsal there will be professional class photos taken at the theater for your convenience. Please plan to stay for a few minutes to participate. You are not obligated to purchase these photos, but we would love to have the entire class in them: <https://phansen1.photobiz.com/form/jive-concert-photos-order-form>

**Videography:** The private rehearsals is the BEST TIME to video and take photos of your dancer on stage so that you don't distract during the live shows. There will be a professional DVD offered as a free download available a few weeks after the concert.

**Concert Day Chaperones:** We have posted a sign-up sheet at the studios where you can volunteer as a chaperone to sit backstage with the younger classes. Please sign up! We can't leave our little ones backstage without an adult to watch out for them. You won't need a ticket for that showing, as you can watch your dancer from the wings (unless you want to go back into the theater after they have danced to watch the remainder of the show - in that case, you do need a ticket).

If you have questions, please feel free to email us.

Please encourage your dancers to practice at home. You can't believe what a difference we see in the students who have been working outside of class.

We are so pleased with and thankful for the growth of our Vineyard and South Provo Studio locations! Thank you so much for recruiting family and friends to join us. Thank you for trusting our processes and culture. We love and appreciate you! We are EXCITED for this show!!!

Those who have tuition or costume payments past due as of June will not be permitted to perform. We will continue to send out tuition late notices towards the middle of each month regarding past due tuition to those of you who are not current to help you get back on track so your student can perform. We will also send out another costume late notice before the end of April.

As usual, May and June tuition are due at the beginning of each respective month. Please remember that we never apply your final month tuition to any month unless you specifically tell us. Thank you for your continued support. We love and appreciate all our Jive families!

**DATE:** February 28, 2019

**SUBJECT:** Music Link for All Concert Routines

**MESSAGE:** Hey Jive families!! We hope your dancers are enjoying learning their choreography for this year's show! We are so excited about all the concert details.

Below is a link to access the music for the whole show. We love families to have the whole show for a few reasons. We like to give your family the opportunity to listen to all the songs in the car and around the house. It's fun music and all your other kids will love the concert even more if they are familiar with the music. Also, our show is very fast paced, and the dancers transition quickly. In order to create this smooth flow, all the dancers need to be ear trained to come on and off the floor on time. Having the songs that are before and after your dancer's piece included in their listening is the best way to help our show run smoothly. All the tracks overlap so we are sure to rehearse properly. If your dancers' piece is number 5 for example, when the track 5 begins you will actually the final 10 seconds of track 4. Don't let this confuse you. We will practice this way EVERY time your dancers are in class. They will become very familiar with the previous and following songs.

Please retrieve the music and encourage your dancer/s to practice regularly. Also, you can record your dancer's routine the last few minutes of any class between now and the show in order to help with home rehearsing. It's fun to watch the dancers progress and practicing at home helps them feel extra prepared and confident.

instructions:

1. Download the .zip file to your computer (not your phone)
2. Double click (open) the zip file
3. Click on the folder with the name "Jive" in the title
4. You should see all the songs for the whole concert
5. Import the songs into your media player (iTunes, Google Play) and create a JIVE playlist

**SUBJECT:** Dance Concert 2019 Dates Fees and Information

**MESSAGE:** Jive is so excited to include our two newest studios in our dance concert for 2019!!! Vineyard Jive and Jive South will both be part of our show. Please ask around, and people who have experience with Jive will tell you this show is something you will be proud to be part of. Some of our favorite comments from parents and audience members are:

“The concert feels so professional”

“It moves so fast! We never get bored”

“I love that the music never stops, the curtain never closes, no one makes announcements, it just goes”

“It is our favorite time of year because our entire family looks forward to the show”

“The Jive concert is short, energetic, and totally entertaining”

“Our family wants to see it more than once so we end up getting tickets for every show”

You all know that Jive is not a competition studio. Therefore, our dancers look forward to getting on stage each year for this great event. We make sure we put everything into it in order to make it amazing! We have been putting on incredible shows for 22 years and we have the kinks worked out. It is organized, professional and smooth. We are so excited for you to be part of it with us as families of our newest studios!

The 2019 Jive Dance Concert will be held at the Covey Center for the Arts in Provo

**June 26-29, 2019 Concert week including stage rehearsals and performances**

June 26, 27, 2019 Stage rehearsals (one 30-minute practice with their class TBA)

June 28, 2019 2 Performances

June 29, 2019 2 Performances

(It is still to be determined if we will double cast the show or have each class dance in all 4 shows. Our Orem studio does 5 shows with each dancer and they love it!)

\*During December we will measure the dancers for their costumes

\*January or February will begin choreography for their dances and work through June

\*We will have to take one week off during May 15-22 while all the teachers rehearse and perform the Orem and Riverton shows

### **CONCERT FEES & WHAT THEY PAY FOR**

As some of you have heard us say, costuming is the most challenging part of this process. Imagine trying to please well over 700 dancers between our 4 locations AND their parents on style, color, price, modesty AND at the same time, find costumes that are artistically and age appropriate and available in the variety of sizes that are required in a single class!! It is a challenge. We order such large quantities, that we must order by January to ensure they arrive by May to be ready for June. For those dancers who are still growing, it's very hard to anticipate growth from December (when we measure) to June (when they are worn). Please know that we do our best to guess correctly. But often it's off, somewhat. We apologize for that. We have a studio seamstress who can help us with alterations if necessary for a small fee.

There are many expenses involved in putting on the type of professional concert that we do at Jive. The music is a huge project. It is professionally digitized with cuts, blends, edits, equalization and so forth. If you've ever been to a show with low quality music, you can appreciate the time and money put forth to spare our audience the pain of loud but low-quality music. Our video walls, and special effects cost time and money to produce. We also have the cost of unique props, precise and detailed lighting, reliable and competent stage crew, and hours upon hours of theater rental for rehearsals. To make it possible to produce the show, everyone pitches in.

The concert fee is \$74 per dance that the dancer is in. A portion of the \$74 pays for a costume and a portion contributes to the above expenses. Ticket sales (\$6 to \$11 each) are also required to fund our show.

This event is the only experience at Jive that requires an extra fee all year long. Thank you for supporting this process and understanding that we are ALL part of the reason our show ROCKS!! We are looking forward to a great year with you and your dancers. We love and appreciate you!

### **CONCERT FEE AMOUNT**

**\$74 for dancers who attend once per week (you are doing 1 dance in each of the shows)**

**\$148 for dancers who attend twice per week (you are doing 2 dances in each of the shows)**

### **DUE DATE**

Concert fees are due by **JANUARY 10, 2019**. Thank you for helping us cover our huge concert expense by paying on time.

If you need to split up this payment, please feel free as long as THE TOTAL AMOUNT DUE IS PAID BY **JANUARY 10, 2019**. It helps us when you WRITE SEPARATE CHECKS FOR TUITION AND COSTUMES. You can always use our PayPal link to pay for tuition or costumes.

We are so excited about having you all join the show this year. We will continue to send out information to keep you up to date. Please feel free to contact us if you need additional information. And please get your friends and neighbors involved so they can dance in the show with us too. It is so fun building these childhood dance memories with friends. We know from experience that these friendships often last long after childhood is over!! Thanks again for being part of our Jive family!
